CHEMICAL & PEST FREE
MANGOES

About Us

We are India's leading exporters of mangoes to JAPAN. This year our mangoes will be enjoyed in South Korea.

We give strict attention to international quality standards by management of both pre-harvest and post-harvest practices in our mango orchards.

Our pack house is centrally air-conditioned and fully sanitized located in Dadri. We have VHT system to kill any existence of eggs and pest in mangoes.

Why Choose Us

- India's Largest Mango Supplier to Japan with a Market Share of around 90%.
- We Follow The Natural Farming Methodology of Famed Japanese Farmer 'Masanobu Fukuoka'.
- No Chemicals and Pesticides.
- Blend of Traditional Farming & Modern Technology.
- Premium Export Quality Packaging in 3Kg and 5Kg.
